

# Belonging Together:

## Migrants, Refugees, Displaced People, and Global Solidarity

The human family is indivisible. Regardless of origin or residence status, people belong together. This international interfaith conference emphasises humanity's responsibility for mutual care, solidarity, and the fostering of inclusive communities.

Join brothers and sisters from all religious and spiritual traditions as we continue the legacy of Pope Francis and Sheikh Mohamed Ahmed El-Tayeb, the Grand Imam of al-Azhar, in the tradition of *Fratelli Tutti*.
